

REMARKS

Applicant thanks the Examiner and her SPE, Examiner Fischer, for their courtesy and assistance during an Interview which was held on December 14, 2007. During the Interview, Applicant discussed the claim rejections under 35 U.S.C. 102 in view of LeBourgeois. Examiner Fischer indicated that Applicant's claims would distinguish the claimed invention from LeBourgeois, and that the current Office Action would be made non-final. Accordingly, Applicant submits herewith a replacement set of claims in accordance with the claim amendments which were discussed during the Interview. Applicant notes that the use of the term "consisting of" in Claims 1 and 67 is intended to be understood as closed language.

Should the Examiner have any questions she is encouraged to contact the Applicant's Attorney, Michael A. Glenn, at 650-474-8400.

Respectfully submitted,
